Tobu Railway Co., Ltd.

On Saturday, March 15, 2025, Tobu Railway (headquartered in Sumida, Tokyo) is introducing a seasonal pricing system for periods where passenger demand differs, including the modification of limited express fees, to provide comfortable transportation services on limited express trains.

The fees for reserved seats on the SL Taiju and DL Taiju steam-locomotive-powered trains will be modified to maintain stable tourism transportation services.

Details are as follows:

1. Start of modified limited express fees and other fees.

Tickets dated Saturday, March 15, 2025

For limited express trains on the Isesaki Line, fees for low-demand periods will not be introduced.
